

## About Us...

Rock the Keys Dueling Piano Bar is a sing along, clap along, drink along, have a good time dueling piano bar. Rock the Keys is a great place to celebrate any occasion and fun for people ages 21 - 91.

Rock the Keys Dueling Piano Bar opened in April 2008. Rock the Keys has a history behind her that goes back to the 1970's. Original owners were brothers Adeeb (Eddie) and Samir Lakkees who started the legacy when they opened Club 66. Current owners are brothers Robbie and Eddie Lakkees who opened Twins Club in 2000. In 2008, Robbie and Eddie decided to close the nightclub and open a dueling piano bar after visiting several dueling piano bars across the country. They loved the atmosphere and vibe of a dueling piano bar and knew that Rancho Cucamonga needed one too.
